*Our Sculptures are delivered to your venue where a large enough freezer capacity exists. For larger sculptures we recommend a timed installation 30 minutes before your celebration. Charges for these services are additional to the sculpture unit price.

Delivery and set-up costs are calculated to the location of the venue from our operation and the delivery time required.

A premium charge is applied for Christmas Eve and New Year's Eve celebrations.

Please contact us for a quote.

We usually require 4 weeks notice to book freezer space, however if your celebration is sooner, please contact us to see if we can fit you in.

A 25% deposit is required to secure your booking and the further 75% is due 1 week before your event.
